Female: And now for 4063, "The Legacy You Should Live Your Children."

C. Elijah Bronner: I start looking at this covenant when God dare for Solomon because of David, his dad. He made me realized the important role that we play in lives of our children. Your covenant with God man, blesses your children and blesses your children. And there's a legacy that you can leave for your children, you should leave your children a legacy of wisdom. You should leave your children a legacy of wisdom, a legacy of wealth. A legacy of wisdom, a legacy of wealth, a legacy of worth, legacy of worth and a legacy of worship. Legacy of worship; David left Solomon a legacy of worship, legacy of wealth, a legacy of worth, a legacy of wisdom. Solomon got all of these ideas about wisdom from his dad. He got it from David. David had drilled that into him. These were the values instill to him from his father, and I begin to see the legacy that we have the opportunity to bless our kids with this legacy of wisdom, this legacy of wealth, legacy of worth, a legacy of worship.

Man, this is wisdom is so good. Anybody enjoying this wisdom? This wisdom is good man, this wisdom is good, this wisdom is good and it comes from God, it comes from God. I begin to realized God is with us all the time. God is with us all the time. This wisdom is with us all the time, it's with us all the time, all the time, all the time this wisdom is with us. Oh man, you never have to live another day in the dark in the rest of your life. I'm going to say that again. You never have to live a day in the dark the rest of your life because God is with you. He is light, He is the light of wisdom. You never have to be in a situation where you don't know, you don't know because He knows. He knows.

Man, I'm just out here to (00:02:51) but listen to this, listen to this I got to say this. Never confuse what you can't do with

what you can do with God. With God, you have the opportunity to never be in the dark another day in your life.

Man, that's going to hit some of you when you're driving home, you go "Oh, yeah, now I see what he is talking about?" Listen, I will say it one more time. If you have the opportunity with God, you'll never live another day in the dark the rest of your life because He is always with you. He is full of wisdom and knowledge. Jesus is part of our inheritance. 1 Corinthians 1:30 "Jesus is made unto us wisdom." Jesus is made unto us wisdom. In this scripture, "In Him are all the treasures of wisdom and knowledge." Guess where we are? We are in Him. Oh, I just had to slap myself man. You know, I meditated on this as a man. "We're in Him; in Him where all the treasures of wisdom and knowledge." "We're in Him" which means we have 24/7 access to all the treasures of wisdom and knowledge.

That's why I go back to my original statement, "You'll never have to live another day in the dark the rest of your life." You'll never have to live another day in the dark the rest of your life. And when I'm saying "by in the dark" I mean not knowing, not having a clue. You know, when you just damn found it; no, no, Jesus is made on your wisdom. Solomon is a type of Christ because of his wisdom. Solomon, he presentify wisdom which will later on be Christ in the flesh. "In Him all the treasures of wisdom and knowledge." Solomon was just an appetizer.

When Jesus came, He said, "Greater than Solomon is here because I'm the one who gave Solomon his wisdom."

00:05:06

Praise God. I'm going to say it again. You'll never have to live another day in the dark the rest of your life. You'll never have to live a day in the dark the rest of your life. Oh man, we never have to live another day in the dark the rest of our lives.

We never have to live another day in the dark the rest of our lives. God did it for Solomon because of a covenant with David. God does it for us because of covenant with Jesus.

Now, if he will break the covenant he made with David, what makes you think he will break the covenant he made with Jesus? He is not going to do it. He is not going to do it. He is not going to do it.

Praise God, praise God, praise God.
