As we pray over the offering today, I just have an unction in my spirit to even pray for your finances. Even as Pastor has given you the prophetic word for this year that there will be an extreme reaping of seed, and that seed is in multiple areas of life. Finance is one of those areas, so I just want to pray for your seed today if that is alright with you. Amen.

So if you will just put your wallet or your purse in your hands, I am going to ask Brother Render if he will come down and touch one of these boxes, and I will touch the other. Because he has had one of the most extreme reaping of seeds that we have seen in the ministry. Just put your hands on one of the boxes. I believe that even it was emblematic last week that there was the most extreme reaping of seed that we have seen in the nation with the largest lottery; where two dollars can turn into over a billion dollars. That is about the most extreme odds and the most extreme reaping that we have seen in the history in seed reaping. So I believe we are in a season of that. Just before I pray...a couple of weeks ago, my sons came to me and they had moved into the basement of our home.

They said that on their devices they couldn't get a good signal down there. It was two stories down from the Wi-Fi router. So I researched the situation, and I changed out my Wi-Fi router --one piece of equipment-- and repositioned it. Afterwards, I said check it again and let me know. They said it is double the strength, and now it is strong enough. Many of you in your lives there is one thing that you need to reposition in order to get double the power, and double the blessing. As we pray I want you to just analyze your lives, and look at what is that one thing. Ask yourself: "If I were in control of the money, and had to bless me...would I be able to trust me with it. What would keep me from blessing me to another level?" Whatever the answer is that comes back; work on that one thing in your life so that you will be in position to receive the blessing. Let us pray.

[The Prayer Of Finance]

Heavenly Father, we just thank you Lord for this season o' Lord. We thank you Lord that you are the source of wealth o' Father. That you said in your word you would give us the power o' Lord to get wealth o' Father. We thank you for that power o' Lord, and we receive it right now o' Lord. We just speak into the atmosphere of your people o' Lord an increase o' Lord of their seed o' Lord. A supernatural increase o' Lord where blessings have been held up in the pipeline o' Lord, prophecies have been given o' Lord, expectations have been there and let down o' Lord. Lord we just speak o' Lord right now into the lives of your people o' Lord into their finances o' Lord increase o' Lord. We speak o' Lord, a supernatural multiplication o' Father, like they have never seen before o' Lord. We speak o' Lord a supernatural harvest o' Lord, a 36 and 100, and even more than that o' Father.

We take the cap off o' Lord, and we speak o' Lord increase o' Lord, increase o' Lord, increase in their finances o' Lord.

We pray o' Lord that even the anointing that you have blessed us with in the Bronner family o' Lord, that has been passed down for generations o' Lord, that power to get wealth in business o' Lord. We pray as leaders of this church o' Lord that anointing would flow down o' Lord onto the members o' Lord. We pray o' Lord that you will open their eyes unto ideas o' Lord. That you will increase the work and favor of their hands o' Father. That you will give them favor in the market place o' Lord, and on their jobs o' Lord. That when they are sleep o' Lord you will open their eyes unto dreams and ideas o' Lord. That will bless not only their lives, but the generations to come o' Father. We pray o' Lord that you will bless them with the energy and the motivation o' Father to go out and open their mouths in sales situations o' Lord that will cause increase.

We pray o' Lord that you will place them around the right people o' Lord, at the right times o' Lord that the right connections will be made o' Lord. We just call o' Lord that you have already prophesized this year to be a year of increase unto your people o' Lord. We pray o' Lord that you will make them responsible o' Lord, that you will keep them in balance o' Father. That you will not let them get caught up into the money o' Lord, but you will never let them forget you o' Lord, and where it came from o' Lord. We pray that they will use your resources o' Lord to change this earth o' Father. We thank you right now in advance o' Lord for the increase o' Lord. We call the harvest o' Lord to come right now o' Lord, from the North, the South, the East and the West o' Lord.

We call it forth unto your people o' Lord, as they believe with me in unison o' Lord, we call it forth and we thank you Lord right now o' Lord. Thank you for supernatural increase o' Lord. Thank you Lord for more than enough o' Lord. Those that have been struggling o' Lord, we pray o' Lord the spirit of more than enough upon them o' Father. We thank you Lord right now o' Lord, in the name of Jesus we thank you. Amen. Amen. Amen. It is done.
