Nathaniel Bronner:

And if you could open your Bibles to the Book of 1 Peter, 3rd Chapter, the Book of 1 Peter and the 3rd Chapter and today I'll be speaking again of what God instructed me to speak and I -- as I sat there and I remembered (00:00:29) last Mothers Day. I spoke on the subject is to be honest and very little if nothing at all due to Mother's Day and I believe that's (00:00:41) million dollar salesman and even if God (00:00:47) special quality after forcing the world and that has do with Mother's day.

Even upon last Sunday as I spoke on the question that the young man had submitted to me in wiring (00:01:03) and sometimes God will take you in a different direction, but if you (00:01:19) believing He'll always take you to the right place and today is the day that we honor mothers really around the world.

And today is the message, it is a message actually for women, but it is not to me and you will understand that as you begin to hear the development of the days (00:01:48). It is for women but it's not really to me and it's not (00:02:00) this particular scripture, it's in our daily Bible read really on the last day of last month and as I read God spoke he said I want you to speak on this very first Sunday afternoon and as I looked at the person and as I read the person I wasn't sure why God wanted me to speak (00:02:24) this day and it wasn't the Thursday but it is clear when my wife said, you know, Sunday is Mother's Day and then it hit me, that's what that verse is even related to.

1 Peter Chapter 3 Verse number 7 and we will be preaching, and speaking and teaching primarily today from this one verse 1 Peter 3:7 and as I read this verse Likewise the host dwelled with them according to knowledge, giving honor on to the wife as on to the (00:03:08) and it's being asked together of the great surprise that your prayers be not hindered.

As I speak to you today on the simple subject even some of the people would have heard the subject of (00:03:29) but you want to hear it in a sermon type. I speak to you today to the subject of When A Man Loves A Woman

Now some of you heard when a man loves a woman because some of you used to live with your first pledge and (00:03:43) decades ago When A Man Loves A Woman and as I read this verse even in our daily Bible, I was reading it from the New Living Translation and when I read it something hit me and something hit my spirit as I thought about I've read 1 Peter Verse 7 in the New Living Translation, so it'll be a little bit clearer and you'll understand the main point of today's session and it reads in the New Living Translation in the same way you first your honor to your wife, treat her with understanding as you live together.

She may be weaker than you're, but she is your equal partner in God's gift of this life. If you don't treat her as you should your prayers will not be heard. So the wives that are here with your husband's turn to them and tell them treat me right, all your prayers will be heard.

00:05:01

Now you know that's in the Bible where it simply says that your prayer be not hindered as the New Living Translation puts it if you don't treat her like you should your prayers won't be heard. When A Man Loves A Woman and when I read as the thing hit me I said you mean to tell me that God won't even hear my prayer unless I treat (00:05:35).

That's a deep revelation and it has to do with the practicalities of the life and in relationships so sometimes -- and sometimes you have to point things down to -- you have to understand what it does (00:05:51). It is what you call in marketing, features and fantasies. You have got to explain to people to features (00:05:59) sometimes if you just tell a man to treat his wife right that don't hit it like when you him if you don't treat her right God will not (00:06:08).

Then the thing becomes (00:06:12) so what you need is the feature and the fantasy, so I know that when I get down on my knees if I haven't treated wife right my prayers are

hindered. Now then hindered with the real world be cut off.

It means my very prayer that the God cut off because I didn't treat my wife right. Like I said today's message is - is for women but it is to me and ladies if you can just get your husband (00:06:45) that he does not treat you right his prayer won't be heard. You know I really could sit (00:06:55) and as a fool man. (00:07:03) he may not have heard you, so tell him that if you don't treat me right, your prayer will not be heard. This is not (00:07:17) standard, this is 1 Peter 3:7. This is God's only words saying that if a man does not treat his wife properly his prayers are cut off, they are hindered, they are not heard by God.

And when I read this thing, I have to read this thing over and over again and to be honest about it I didn't (00:07:47) because I will be perfectly honest about it. Now sometimes when I don't treat when like I should, I am just telling you the truth, and you all will be looking to me, well, now I have gone (00:08:02) three different (00:08:05), sometimes that I have treated (00:08:05) like I should, there are sometimes that I have been kind, that I have been considerate to her (00:08:13) that there are sometimes when I needed to treat my wife best.

Now I treat her pretty good, but on the days that I have not treated her pretty good, on those days I need to (00:08:34) Peter 3:7, that is I don't treat my wife right, the mother of my children then my prayers are never heard. And I never will forget (00:08:53), that says the best thing that any man could ever do for his children, is to love that child's mother.

So that's something about when I treat my wife right, the thing vibrates and it radiates and it transfers even to my children and it comes back and the thing affects me because if I don't treat my wife some of you (00:09:16) some of you can't understand what God has asked me to treat my wife right.

You can't understand why your prayers are hindered, why the hell does it and you got to be able to look yourself in the

mirror and ask of yourself am I treating my wife right, am I being the man to her that I really should be and I should be, (00:09:41) message is -- for woman but its to me.

And though it may be a day to celebrate mothers, because motherhood is a tough job but it's a (00:09:55) job done all alone, always a mother who is supposed to be -- supported as, the mother was supposed to be covered and the mother is supposed to be loved and protected by the man.

00:10:07

Mother was always supposed to be treated right. It was the way, it was set up with God real and it is where a man was supposed to treat his wife, mother of his children right and when you violate that principle your prayers are hindered, cut off and not heard. 1 Peter 3:7 let me now get there first, 1 Peter 3:7, and I want to just go through this verse just to show you the thing within this is verse.

First it begins (00:10:48) Likewise. Now Likewise means in the same way, that this is just like it. Well Likewise what? It is referring to 1 Peter 3 beginning with verse 1 through (00:11:02) that's why you always need to understand it, so ladies I don't want you to go to your husband and just say don't forget 1 Peter 3:7 because whatever the woman does (00:11:15) I want you to turn to him and say Likewise.

You see -- see that Likewise it goes with it and sometimes we will look at 1 Peter 3:7 and we forget about the Likewise. The first word in 1 Peter 3:7 is Likewise. It is the same manner and what it is talking about is if you start off with 1 Peter Chapter 3 in the first verse I am going to read the New Living Translation to get in the same way you wives must accept the authority of your husband even though who refuse to accept the good news, your godly lives will speak to them better than any words.

They will be won over by watching your pure godly behavior. Don't be concerned about the output (00:12:04) it depends on fancy hairstyle, expensive jewelry or beautiful cloths. You should be known for the beauty that

comes from within, the unfading beauty of a gentle and fine spirit which is so precious to God.

That the way the holy woman above made themselves beautiful. They trusted God and accepted the authority of their husbands. For instance Sarah obeyed her husband Abraham when she called him her master. You are her (00:12:42) if you do what is right without fear and what your husband might do, that's the Likewise.

So Sarah did the Likewise, (00:12:54) in other words it says just like I have commanded your wife, we're certainly (00:13:00), that's another whole sermon like I said this message is for women, this message today is to me When A Man Loves A Woman we're dealing with the Likewise, maybe (00:13:10). But first he says Likewise. Likewise your husbands dwell with them according to knowledge.

Man you got to know your wife, says well with them according to knowledge. You see I could not give you a (00:13:39) and fast rule of particulars with your wife, because only you know your wife. There is (00:13:44) who know your wife (00:13:46), you know and I just want to know your wife, I need to know your wife really well and know the peculiarities so your wife has peculiarities.

(00:13:57), that she has got some idiosyncrasies, she has got things that are just hers, you got to dwell with her according to knowledge. You see (00:14:09) is her. I got this (00:14:17) kind of stuff and I have got to dwell with her according to the stuff and I know according to knowledge that there is something that I know about (00:14:28) she is not the typical first lady (00:14:33).

Because its (00:14:37) when I am not there. What I can see (00:14:40) because I want to be the image of just like the rest of first ladies I will (00:14:43) with some blaze coming out of (00:14:46) just like a first – I would just not would (00:14:51) and I know that's my wife.

00:15:01

So if that's her and if I knew that it's a reason, I have got to dwell with her according to knowledge, I (00:15:10), I

don't know where to go. Every time and I don't like, I used to like this is the long dress, I saw her in this long dress, I don't know where they are. So I learned that that's not with her, I don't go out there if I put the dress in the flow because I don't know she is not aware.

So I have to dwell with her according to knowledge and sometimes, we mean, we dwell with the way and we just don't use knowledge, we just don't do comments, we know good 0(00:15:48) knuckle, we know it's not in the nature of our wives and we don't dwell with them according to the knowledge that we have of our spouses.

My wife has strength and weaknesses just as a man does. I know my wife's strength and I know her weakness so there is no need of me being over the head about something that I know that's just not her strength. And all of us have strengths and we have weaknesses, we have areas that we are good and we have areas that we are not good, we have areas that we're interested in, areas that we are not.

The Bible tells you dwell with your wife according to knowledge, and don't try to think your wife could have interest in football game, you know, she doesn't like football. If you know she can't stand football, you know she can't stand basketball, woman I am just mad at her, I will (00:16:52). That's not according to knowledge.

If you know something, I have got the other side, I didn't like to putting (00:17:07), well even I know my wife is not okay, she would be (00:17:12), she didn't sin, I know she does not get on a motorcycle because I have said it, I don't pay all this money for this motorcycle, I see (00:17:20), you don't say what needs to laugh just not according to knowledge.

Husbands dwell with her according to knowledge and you see when you work with your wife, the arena that she is strong in and help her in the arena that she is weak, it will make both of you strong and it will start to build to see and your wealth that you've never dreamt of. But you got to dwell with her according to knowledge.

God has a toolbox people and you still use people according to their talent and according to their abilities and not in your talent and not in your abilities regardless of what you won't speak that's not what you got to understand and you got to put (00:18:21) in a position that it is just not as nature, it's not what God has ordained it to be.

All you got is dwell from your (00:18:28), you can't understand why thing is not going so smooth because you haven't dwelled with them according to knowledge. Giving on, and so the wife, giving on and treating her with honor it is the Greek word (00:18:52). It's a term that's used to describe the value of a precious stone, a diamond, an emerald, a ruby. That she is to be trusted and reassured, protected, loved, with every kind of professions do you need for, and I will just put it like this, sometimes breaks down where a man don't understand.

You ought to give your wife the same respect and treatment as you do to a new car. Now, now, that's when you are down where a man can understand. You ought to give your wife the same respect and treatment and tender loving and care and protection as you do a brand new car. (00:19:43) buy the car. You have never seen a man beat up his car.

(00:19:57)

A man will make sure that car is (00:19:59) and cleaned and dressed well, no matter what. A man will make sure sometimes to be (00:20:08) really got to shop. He will make sure what he (00:20:11) and he parks you know, wait on the (00:20:13) so nobody doing (00:20:18).

Sometimes when I walk we will get out of the car before now rains (00:20:25) hold it for. So what I am saying is we just give, just a consideration as the average man will give to the new partner. If that was a gas station and it was (00:20:44) it is gas station that she (00:20:44). No man would take his new (00:20:48) should have (00:20:55) God had picked you.

And here is the most (00:20:58) and the engine will pick up, see what's wrong. Why it's all of this (00:21:07) tell about what is this. All I am saying is if a man -- if the average man just gave his wife the same consideration as he gave to (00:21:15). That's why the Bible uses this word honor. It's the same word you describe about you from a pressure. Here we can say.

And if we just treat our wives like we do our (00:21:31) we do our expensive suits, we brought our expensive shoes all in (00:21:40) if we could just treat our wives with the same degree of honor then could be blessed.

Best over (00:21:55) to the physical thing that carry the spirit, and you see women, for the most part are physically weaker than men. I said it multiple times. They are physically weaker than men but oftentimes they are spiritually stronger. And even they are some parts and I really believe that it's a part of -- of the nature, of what I would call define just you know physically speaking in terms of actions, the works.

Women actually outlive men all over the world in every culture, in every religion, in every race, doesn't matter where you go, women outlive men.

Now if we say, we know the oldest man in the Bible was a (00:22:42) but it does tell you how (00:22:43) she does and even though (00:22:48) was 969, I bet this is the (00:22:51) because women universally the world over as a general rule outlive men by ease.

And I believe that's being case from that original belief where men does not do what he is supposed to do with following God's word. God is placing him in charge of the (00:23:14) and that still because science could not explain why men in the world over die before women.

So they are weaker in muscular but in any way they are stronger but because they are weaker in a muscular sense and even there is a part out, how trust, I don't care how (00:23:34) every woman is stronger than men. I don't care what new (00:23:41) said, I don't care what folks talk

about it just it is, I want a relationship with this (00:23:47) want the relationship is 50-50.

God made the woman as the weaker (00:23:52) and he made the woman down in a very (00:23:58) in her favorite nation, of always want a strong man to protect, watch her for all day. It is the nature of all.

Just in (00:24:07) got to say oh, it's equal stuff. That's not difficult. You guys (00:24:14) another religion if you want find equal and if the (00:24:17) I don't know any of this and it was in the nature of the woman to just (00:24:28) the stronger man and I was in the back when I got there. It was liberated woman telling me (00:24:38) business deal with this woman. I never met a woman that didn't want a stronger man and any woman that had a man was 50-50, stronger man came along he (00:24:50).

00:24:52

Every woman want man is (00:24:55) you go. She said yes, I do. I said no, you don't. She said yes, I do. I want to be (00:25:02) so I said no you got (00:25:04). I said do you want a man that just as far as you don't listen to you, (00:25:16) a lot of smarter than you. I – I really want a man that's a little smarter than I am. I said all right. I said, now, do you want to man that's making just as much money as you, a little less than you, or more than you. She is going to shoot us, shoot us, shoot. I want a man who is making a whole lot more than I am making.

I said let me get real deep on this. I said in a time of intimacy, I said do you want a man that lasts as long as you, who got before you, she is like no, I do not. I said everything and ever I deal with, you know what a man is eating and (00:26:15). So all is liberated (00:26:19) when you really cut down to the chase, when you really get to the bottom line, God has made woman as the weaker sex and by her very nature, she seeks the stronger.

God has given man the responsibility to take care of the weaker sex and it has always been there, well it has always be there, but you know whenever you start getting

that thing out of balance, you are going to start think the side of it all kind of strange stuff happen.

That's why those in power have always known if you can ever destroy the stronger sex or the weaker sex, you will never produce a solid and a strong body, that's why the Egyptians, they wanted to destroy and limit the Hebrews, they told the midwives every child (00:27:23).

Kill the stronger (00:27:27) because we know historically, socially, psychologically we know that you destroy that stronger sex, the weaker sex which will never be dealt, they will be able to kind of hold it together but they will never be able to amount anything that's going to be real strong that will fit, destroy the stronger sex.

So weaker sex by long, it means the stronger sex must protect the weaker and as we ask together of the greatness of life, the great life, the first thing is you are asked to deal with new life of children. Sometimes, I will tell my wife (00:28:19), I said baby, look what I did, she (00:28:22). There is no such a thing as a man holding up a child, somebody looked at what he did and there is no such thing as a woman holding up a child, someone looked what I did, that thing is a joint mixture in the grace of life.

And it takes a man and it takes a woman and God has even designed it just in the way of the cyclical ways that the things happen, there is a different nature. One is strong and hard and rigid and the other is soft and yielding. God has made it even in the nature of the act of creating life, you got to show a way that things are supposed to be.

The first is children. When there as a grace of life in terms of eternal life because if you don't treat your wife right, how in the world could you – you see that's like cut in half and you say that you love God, whom you have not seen and you don't love your brother whom you have seen, what taught you love your brother whom you have seen and you don't love your wife who you see.

See what Jesus is saying is the father away the thing is the harder it is to love. So how can you love God who – who you can't even see, and you don't love your brother who you do see but didn't. How did you claim to love God when you don't even love the one that you supposed to be so close to that you want to pledge.

00:30:04

And I can just say oh, how I love Jesus and you look over (00:30:10). It is a joint grace of life and so what you have for eternalness, people you got to look how you think you are going to get in heaven if you are doing something you can't get your (00:30:25) and let me tell you something, there is a third part of that grace applied and that's heaven here on earth and let me tell you something, when you are not getting along with your wife, that just make it just about hell the owner.

When the two of you are (00:30:43) and the two of you are fighting, there is no material thing in the world to think of what you can be seeing out in the biggest men but it's mad at each other, that whole sanctuary is nothing but a dungeon, you could have the most awesome dad in the world made with goofed up stuff all the way some silk sheets on it, saying lights under the street, street is even if all that fancy stuff and taking that my heart in this hope but at night silk canopy which leads all around the gold trim, all that kind of stuff, just as a bit cold which is text through these well he is out on his own, I (00:31:21).

It battles, for you all to be in a joint million and the grace of life where just as you look at each other, just so just do out soon. I mean you know what I am talking about. I mean you need to be in a situation where if you look over to your wife, (00:31:43) and so we don't get to (00:31:49) each other, that's the kind of – that's the kind of love and affection, something I will busting over on the way over here.

You were busting on the way over here and if you don't He will just message, you are going to be busting on the way back. And it doesn't matter what does the (00:32:10) thing that you are paying and you know, if that is there is

love and heart and at some point I am sleeping there, then it is to be busted, and fight in a \$10 billion match (00:32:27).

There is nothing to (00:32:32) more, I have got a poster on that wall out of the, the plan has about (00:32:35) and the first thing is choose the captain whom you met, get a captain, the greatest difference in your habit in one thing, one of the things seeing on the desert, who you marry and who marries who.

Now, see sometimes people, we get that thing mixed up because you all see a different person that's why I am telling you, that's why this message is for anybody two men, men treat your wives right, and it doesn't matter about their errors and their faults and their flaws because you got to do. Treat your wives right that's the – that's the Christianity (00:33:19), you don't need to be a Christian to treat matter right, just so do it all the time (00:33:25) that you teach that.

Could you be religion or if you love somebody when they are not doing right, that's what you need to love, you don't need to love the Christ, but someone you just seeing about every minute, minute you get home, baby, can I take the shoes off, can I get the foot, what do you want to watch on TV, (00:33:49) I will turn the remote for you. Hey let me put this still there, you don't need to love a Christ or love somebody doing that.

What you need to love or pray for is when you get home they question you about half of you (00:34:04) and they question you about why you are not bringing about money home, they got a cold bone and (00:34:11) on the table for or nothing at all, just when night comes they turn it back and they call death when you need to love a person, you don't need to love a person and everything that's just going, everything is smooth and everything is just perfect, no one needs to love them, you need to love a Christ to deal with this selfless thing I am not going.

And to love them, don't say anybody to love them anyway that's when you are need to pull on everything that just that's why Jesus told you to love your enemy and treat

those good despite they using all (00:34:58) talk about just pay the price for it.

00:35:01

You know, the one of the things that I have always said you can always separate that which is really truly a price, that's really price into when bulk of the world wants the same thing. Do you know even the faster you treat so good, you treat them good so you don't do anything different from the master but you need to have a price for that but if you – if you – if you do the master run, you are feeling.

Some of us have got master methodology. I can't think of that, I need (00:35:39) Mother's Day (00:35:41), some of us have got master mentality. So love a price, takes you to the level that you can free for goodness no matter what, if he does not when you read (00:36:00) and likewise and the children, the woman, it says you to feel under the body that's when even when the man has not gotten you, and so I read that, see He didn't take you to just be under the man, just act to that person, but He just, you know, He just He does everything, He is a just a storybook prince from beautiful wife would want, that's how we are getting (00:36:22) because sometimes that's what I like but that's not what it be, it's says must accept the authority of your husbands, even though who refused to accept and flick news. Same old (00:36:41) and the part tells you to accept that price even when you (00:36:49), even when it's not for you.

If He does when that's and I can't feel spiritual and it's not the one right, it's when something is not going according to my plan. And it says likewise (00:37:11) you people there are things that men are hold to be in part of wife's life and be relative over that stuff. It's not that a preacher will make your wife. Did you all get, you hit me on understand it real clear, it's not for the priest that will make your wife.

Your wife I will not be coming to the church so I got to go to church, so I can get you a good feeling because you ain't give it to them. It's not the responsibility of the priest to

make your wife feel good. Now do you see, and as it would – when a man loves woman, and I see a man has been in love with woman that thing will start, that thing will start showing itself, it's the way I just want to believe an original singing and I don't know whether you have seen that movie with Anthony (00:38:19) and Antonio Banderas, a difficult situation, a difficult stand up and you married a woman and this woman stole all of his money, she ran away with other man, she just did all con thinsg.

He finally caught up her and (00:38:38) and he said that in case what have you just told, he said if I can't have you, he said I just only want you, I love you, yes, I want to (00:38:49) I love you, and I love you, I love you no matter what, I don't feel the sin in your past. I don't – I don't know what you did, I just love you.

And this woman, because of this man's love, she was a con artist (00:30:08) but because of this man's love, the woman changed, turnaround which she has never had any kind of man love her. First of all, women know because have a sixth sense about (00:39:22), women are just (00:39:24), she can just feel that when something wrong with you, you got an attitude, well woman you think that up, she knows where I have to stand, where I just got to hold your way. Something that I expressly say, she say no, you know, just like you need to know them, they know you. They didn't have – maybe by the way, you are glad you are left because I am wrong. They know you and through all love, covered by folks to advance.

00:40:01

A (00:40:02) it will cover up the things when a man loves the woman, all of the things that you have done and the one who will know no matter what this man -- it's like. A child knows that no matter momma will feed him. See the mother says to God, I love my child, I will take the (00:40:25).

When a man loves a woman, it's not for the (00:40:39). Your wife might be in love with some food stuff, she will not be looking no matter (00:40:48) it's detail, your wife

not to be in love with anybody but you, but to see you have got to treat her like you are supposed to treat. And if you treat her like you are supposed to be treat it, God has a mechanism built in with the likewise just like a woman when they treat a man like you're supposed to be treated there is mechanism built-in so that it even one of them is offbeat, when the other would get in God's will it starts to pull the other one back on track.

But the problem that we get is when somebody gets (00:41:32) and so problems start going down two separate tracks. When a man loves a woman, not supposed to be treated, not supposed to be (00:41:50) it's not supposed to be, it's not supposed to be (00:41:50).

But there is nothing wrong with you conferring with your mother, father, someone wise with ways of relationships, but it's not supposed to be problem. You are supposed to be able to talk, you are supposed to be able to work out with the person, with the person that you had made the vow with, with the person that you had made the promises with, you are supposed to be able to work it out.

You got to work it. You need to bring it back to the point of where people have love when you were dating, you could talk, you can talk to each other all night but (00:43:42) saying anything. You just held on to phone now you all wanted to do is just (00:43:47) other person and that's about an hour you say you are there. Just a simple before you can leave at the house, just turn over and just say do you know that thing, what you (00:45:08) third great light setup high, you know to foster you to (00:45:16) just a simple kiss every day and that's a fact it didn't say anything about what happens when a woman kisses a man (00:45:28) when a man kisses a woman, because even the Bible it said husbands love your wife until the wives feel the respect to their husband, but it's over husband to love the wife.
