And now for, Call Dr. Jesus Because Superman Isn't Coming.

Dexter Harden: Thank you for joining Brothers of the Word because brother, you need the Word. Halleluiah. Glory to God.

If you will turn to the Book of Luke 4th Chapter 23 verse and it reads, "And he said unto them, Ye will surely stay unto Me this forever. Physician, heal thyself: whatsoever we have heard, done in Capernaum, do also here in the country."

Isaiah 53:5 and it reads, "But he was wounded for our transgressions, he was bruised for our iniquities: the chastisement of our peace was upon him; and with by his stripes we are healed."

1st Peter 2:24 it says, "Who his own self bore our sins in his body on the tree, that we, being dead to sin, should live to righteousness: by whose stripes you were healed." Amen.

And briefly for a few moments on this morning, we're going to take for a topic, Call Dr. Jesus Because Superman Isn't Coming. Halleluiah. Call Dr. Jesus because superman or woman is not coming. Halleluiah. Come on and give God some praise.

And the dictionary defines a doctor, as a person duly licensed to practice medicine; a physician, dentist or veterinarian. One who has received the degree of this name from a university and examples for that would be Doctor of Medicine, Doctor of Law, Doctor of Philosophy.

In our society, man has certain traits and traditions that they follow such as a formal education. Number one, being elementary school or kindergarten. Number two is junior high. Number three high school, four college, five grad school. Even before this

stage and like comes the foundation upon which all other learning is based.

For example, home training. How many of you had home training? This leads to a degree in commonsense. Church and school and see, we know that Jesus had a degree in commonsense. How many of you got commonsense? Everybody hands should be up.

Now, what's common to you may not be common to somebody else, but everybody has commonsense. Jesus had a degree in commonsense and I know a man who was accompanying his son. He visited the marketplaces which is earthly parents yet he visited the synagogues. He didn't attend any major schools or known universities just like, Clark Kent. Who know who Clark Kent is? Amen.

I don't have time to go into the depths of who Superman or Clark Kent is. Hopefully, you know who Clark Kent is. But just like Clark Kent, He attended a small school in lived in a small community. Jesus lived in Bethlehem. Clark Kent lived in Smallville. Jesus had no Ph.D. in medical science, but He had His Doctorate of Healing and Divinity come from another place. Jesus' learning came from heavenly university.

Turn to your neighbor and say, neighbor. Dr. Jesus is in this place. Look at Him again and say, "Superman isn't coming." Jesus had no license to practice medicine, but he healed and we call him the Great Physician, the Great Prescription Writer., the Prescription Filler. Jesus has no pharmacy, but He was the Master Pharmacist. He wrote and continuously write prescription after prescription. And how does He do it? Through His Word. He does not prescribe aspirin.

00:05:00

He will not give you Benadryl. He will not give you warfarin, Oxycontin, Xarelto, Zantac. How many of you need a Zantac, but He gives you the Blood. All you need in Jesus is His Blood. It has healing power.

Psalms 107:20 says, "I sent My Word and My Word healed and delivered them. His rumble Word into the locals' word. He had

no training as a surgeon in the operating room, but He healed all kind of diseases.

How many of you know Superman can't heal you, but Dr. Jesus can, He opened and He's still opening blind eyes, giving blood transfusions, mending backs together. He makes the deaf to hear, the maimed to walk not only, but that He raised the dead through the Spoken Word.

Psalm 46 says, "God is our refuge and strength, a very present help in the time of trouble." See trouble will come when you least expect it. Trouble will sneak up on you sometimes, gives you no forethought, but it comes at a moment when you're perceived to be weak in a certain area. Not all trouble is not bad trouble. How many of you wants a good trouble? Good trouble is sent by God to set some examples for you, to teach you something. We don't have to worry of trouble is sent by God because Jesus would never leave you nor forsake you. He's not like man. He's not like Superman. He's not like, your Superwoman that you end up in the house with. But He's always there.

He's always there because He's Omnipresent. Our God can be in more than two places and all places at the same time. Superman can't be in two places at the same time, but God as Omnipresent means His Divine Presence encompasses the whole of the universe. He is everywhere. And if you are a born-again Christian, how many born again Christians I got in the audience? If you're a born-again Christian believer, He lives in you. Look at your neighbor and say, neighbor, take Jesus everywhere you go. Now, He may not go everywhere you go, but we strive to take Him everywhere we go.

Somebody said, I'm going to lay down my religion and she didn't leave me alone. Well, lay your religion down because that's religion, but don't leave your salvation down. Amen.

Dr. Jesus is Omniscient. He already knows your plans, but better He knows the plans He has for you. Jeremiah 29:11 verse says, "For I know the plans I have for you, declares the Lord. Plans to prosper you and not to harm you, plans to give you hope and a future."

John 1:48 says, “Nathaniel said, ‘How do you know me? Jesus answered and said to him before Philip called him, when you were under the fig tree, I’ve saw you.’”

Matthew 11:27 says, “Jesus said, ‘All things have been handed over to me by the Father and no one, except the Son, knows the Father and nobody except for the Father knows the Son and anyone whom the Son reveals, He knows.’” Amen.

Jesus knows your name. How many of you down, Dr. Jesus knows your name? Whatever burden is weighing you down, Dr. Jesus wants to carry your load. In Matthew 11:28, it talked about, “Jesus will carry your load, your burden, your heavy load, if you’re labored.” How many of you are labored? How many of you work? Anything going on in your world? Turn to Dr. Jesus.

He said, I will give you rest. Take My Yoke, I mean, take My Word, take My Teachings upon you and learn from them. Apply them in your daily walk with him. I am gentle and humble in heart and you will find rest for your souls.

00:10:00

For my yoke is easy and my burden is light. You see, Superman doesn’t know your name. He is here today, gone tomorrow. But Jesus is Everlasting. Superman can’t deliver you from the unknown. Unlike Jesus, his vision is limited. He can’t see through lead, but Jesus sees you everywhere you go. And he should be inside of you unless you are out of His Divine Will. But He still sees you and will cover you, that’s when grace and mercy kicks in.

See we are delivered by mercy, saved by grace. Dr. Jesus is omnipotent. He has all powers and He’s not limited by any authority. He doesn’t depend on the sun, S-U-N for strength. For He is the Son of God. Alpha and Omega, the Beginning and the End. No kryptonite or rock can limit His power, for He is the Rock.

I mean, you know Jesus is the Rock. He is the Rock in a weary land, shelter in the time of storm, provision when you need Him. Halleluiah. He is what you need. Well why I haven’t I receive what I need, have you asked that? Have you prayed to Him?

Have you talked with Him? He knows what you need, but He wants you to ask for what you should need.

Ask Him what you need for He is able to do exceedingly, abundantly than what you ask of think according to the power the worketh in you, in us. See, you have the power. The same power that God gave the Son, you have it inside of you. But where is your faith? Faith without works, it is dead.

Jesus lives in you and if you are a Child of God why can't you get rid of the headache that's lingering whereas twofold it maybe what you're consuming. What are eating? If you know you got high blood pressure that runs in your family, why are you eating certain things. Don't cry and pray to Jesus to remove a headache that you can remove yourself.

But He gives us the ability to pray to Him. The scripture says, "Physicians heal thyself." And Jesus was talking to the people, to His disciples. "Why are you waiting on Me to perform a healing? Heal yourself. If you believe in Me, if you have that faith of a grain of a mustard seed, if you believe in Me, I'll move mountains for you. If you believe in Me, I will heal they land and your lad is your body, it's your temple. He will heal you.

Speak the Word, and the Word will recover and work for you. Command the angels. How many of you know you've got angels on assignment? How many of you have used your angels? How many? Well, if you're not using them and you're a child of God, you have angels on your assignment, use what tools God has given you. Speak to the angels and ask them to do what that good thing is for you. Now, they're not going to do something that's against God's Will. But they will perform in just to His Word.

God has given you the ability to command, to heal, set free and deliver you from any hindrance that you may have. Look at your neighbor and say, "Neighbor, what is your kryptonite?" Understand that man will run to-and-fro trying to find Superman. How many of you know when Superman, the last one came out, there where lines wrapped around the building to get in, to seek Superman? How many of you have seen a line wrapped around the building to get in the Ark? He's coming.

I'm speaking. I'm speaking about faith. He is coming. There is going to come a time where lines will be wrapped around

sanctuaries, churches, to get in the building because they will finally realize Superman is not coming. But see, we as Christians sometimes don't even realize Superman, we put him in the place of Jesus. I'm hear to tell you, he isn't coming.

I was once in that position waiting on my Superwoman to come, waiting on my paycheck to come. Instead of getting up and praying and decreeing it that it will surely come. Instead of trusting Him that He will send it my way.

00:15:12

Some of you might have tried Dr. Moore, who's Dr. Moore? What Dr. Moore is that, that root doctor. Yeah, I know what I'm talking about. Try Jesus. Some of you may have considered trying Dr. Buzzack or Madame Jezebel, stay away from them.

But now is the time to try my Physician, your Physician. Dr. Jesus is willing and ready to heal you of your situation. See, Jesus was worthy of his honorary degree as King of Kings and Lord of Lords from the University of Heaven. He graduated with a Doctorate with the concentration in love and a double major in joy, peace, patience, kindness, goodness, grace, mercy, faithfulness, gentleness and self-control. He hung on Calvary in the classroom of suffering, but he rose on graduation day with the master certification in knowledge, in wisdom with the gift of prophesy, faith, healing, discerning of spirits, tongue interpretation, all the tools and gifts that are granted to us.

The Bible says, John 3:16, "For God so loved the world that He gave His only begotten Son, that whosoever believeth in Him shall not perish and will have everlasting life." Now, when we call Dr. Jesus because Superman is not coming, "Are we truly ready to receive Him? Are you ready to receive Him? Are you ready to receive what God has for you?" This is where faith in God comes in. This is where trust in God comes in. And this is where you're tested.

Now is the time that we turn it over to the One who has proven Himself strong time and time again. It's not time to sit down, but it's time to get up and be about our Father's business. Now is the time to realize that Jesus is Jehovah Jireh, our Provider. That He is Jehovah Rapha, your Healer. That He is Jehovah Nissi, The Lord, your Banner. That He is Jehovah Kaddesh, our Sanctifier.

That He is Jehovah Shalom, our Peace. That He is Jehovah Elohim, Lord of Lords, King of Kings, needs no permission to bless you. Jehovah Tshidkenu, our Righteousness. Jehovah Rohi, our Shepherd. Jehovah Shammah, He is There all the time.

I can imagine in my mind the struggles that you've had to endure. But God said, "No to failure and Yes, to victory." How many of you know you've got victory in Jesus, you better put your hands together, for you have victory in Jesus. Trust in Him. Tell Dr. Jesus you love Him. No matter what storms come your way, you love Him. You're going to stand on His Promises. You're not going to turn on the towel, but you're going to stand strong when trouble is at your rear. When you're on the ropes of life and you become entangled, you're going to stand strong. Somebody said, "Do the rope a dope." How many of you know what the rope a dope is? If you own a rope, so you better shake him off. Don't stand there and get punched, don't stand there and get hit. But you are going to do a rope a dope, bounce back, break the chains that try to bind you.

Call on, Jesus. Tell Him all about your troubles, He will fix it. How many of you know Jesus is Mr. Fix-it? When you're dirty, He is Mr. Clean. How many of you want to be cleaned? When you're sick in your body, Dr. Jesus is the Ultimate Healer. Superman can't do it for you. Superwoman can't do it for you. When you will surrender all to Dr. Jesus, He is all you need. Nobody can replace Him in your life. No man or woman can give you what you need other than Jesus. Because Jesus knows what you need.

And there's a song that encompasses what God is to us and all He sacrifice for us and it's titled, "So Will I (100 Billion X)." By Hillsong. Go listen to it.

00:20:02

I don't have time to play it. I had it, pre-op. But go listen to it. Listen to the words of the songs and know where Dr. Jesus stands in your life. Know that you can rely on Him for everything you need, for all of your provision, despite of everything you've been through, you're here. How many times you were told you weren't good enough? How many times have you been told you weren't worthy enough? How many times have you been lied on, despised, criticized, persecuted?

Listen to the song and you will realize that Jesus paid the ultimate price. Nobody else was persecuted more than He was. Nobody was ridiculed more than Him. He is still lied on more than anybody else in the history of the world. Let that settle into you. But know that Jesus is your Doctor. Would that be in the sick room, court room, bedroom, war room, prayer room call Dr. Jesus because Super isn't coming. Amen.
