And today, I have the shortest title that I've ever preached from before. But even though it's the shortest, I would say it's the most powerful. My title today is simply one word and that's, 'Jesus'. And Christians sometimes I hear them complain that a lot of the preaching has gotten too inspirational and there's not enough talk about Jesus and the Gospel. I'll tell you, they won't be saying that about this message today because that's all I'm going to talk about today. There'll be nothing else in it but Jesus.

Because there are many today watching by television or internet or here live in this service, that may not have been the church in a long time and somebody needs to hear about him today and get some more details on him. So I'm going to move fast and tell you a little bit about the man we call Jesus the Christ today.

For our Scripture reference talking about Jesus, I'm going to just hold up the whole Word because I tell you, every book of this Bible support the man I'm going to talk about today. If you want to see a reference, you can look at any page, any book, any chapter and you'll see that he is the Word made flesh. He is the Word, so you're looking at the very document that backs up who I'm talking about today.

Let me walk through a few Scriptures that just begins to introduce the man to you – what he is – tell you some aspects today. Isaiah 53:4-5. I don't have time today for you to turn now, there's a lot to cover about this man. I've got to move quick today. Isaiah 53:4-5 says, " Surely he hath borne our griefs, and carried our sorrows: yet we did esteem him stricken, smitten of God, and afflicted. <sup>5</sup>But he was wounded for our transgressions, he was bruised for our iniquities: the chastisement of our peace was upon him; and with his stripes we are healed."

Jesus the healer is who I want to introduce to you first. I tell you, when you go in the operating room and the Doctor gets ready to operate on you, no matter what organ he's working on, do you know that doctor feels no pain. But I tell you, Jesus the healer, to get your healing, he had to undergo 39 strikes upon his back with a cat-of-nine tail and that wasn't just any whip. It was called cat-of-nine because it had 9 leather tips on it and those tips weren't just leather but they had on the end a mixture of glass, bone and metal and he had to take 39 lashes cutting his flesh. It wasn't like a doctor where they will put him anesthesia. He had the value of paying for you. He had to take your sickness upon his own flesh, Jesus the healer.

Let me move on to Jesus the intercessor. Hebrews 7:25, Wherefore he is able also to save them to the uttermost that come unto God by him, seeing he ever liveth to make intercession for them. And I'll tell you, we have some great prayer warriors here in the Ark and even outside of the Ark. Brother Earl does a wonderful job and our whole prayer team does a wonderful job. But I'll tell you this, none I would rather have praying for me like the Lord Jesus, sitting at the right hand for that

father, making constant intercession for you – Whispering in father's ear, on your behalf.

Next, I want to introduce you to Jesus the Teacher. John 16:13 says, "Howbeit when he, the Spirit of truth, is come, he will guide you into all truth: for he shall not speak of himself; but whatsoever he shall hear, that shall he speak: and he will show you things to come." John 14:26 says, " But the Comforter, which is the Holy Ghost, whom the Father will send in my name, he shall teach you all things, and bring all things to your remembrance, whatsoever I have said unto you. I'll tell you, school is beneficial and it's something that you ought to do. You ought to get a good education but school doesn't teach you how to pick the right spouse. School it doesn't teach you what to do when the doctors look at your condition and study your chart and your blood work and say – We don't have a cure for this. School doesn't teach you what to do when your spouse walks out of the door leaving you there with your children. That's why we need to Holy Spirit to guide us and comfort us and teach us through life's situations.

Let me move on to Jesus the Savior. John 3:16, For God so love the world that he gave his only begotten son that whosoever believeth in him should not perish. Let me read that last one, - But whosoever – everybody say, 'whosoever'. Say I'm a whosoever – shall not perish but have everlasting life. Acts 4:12 says, Neither is there salvation in any other: for there is none other name under heaven given among men, whereby we must be saved. No other name under heaven given among men whereby we must be saved and this love that is shown here is a two-part love. One of the love of a Father to give his only begotten Son. I have 7 children and I can't imagine if I had to sacrifice and give one of those children for others but God only had one begotten of himself and gave him for you. So it involved the love of a father, first. Then it involved the love of a Son for you – just because the father sent him, it doesn't mean he just had to do it.

I'll give you an example, I've sent some of my children out to the mailbox to get the mail for me in the house. They said – sure Dad, I'll go get that for you. I looked at my watch, I wondered what's taking so long, 10 minutes has gone by. I said, the mailbox is not that far. I peeped out of the window and see them playing, throwing rocks and playing ball. So, just because I sent them, they could have gone out and got distracted. So Jesus could have gotten out here with us folks and got distracted – temptation was out here. I didn't know they had these kind of women by there, I don't know this money could buy this type of stuff. But no, because he loved you, he stayed focused on what the Father sent Him to do. He didn't want to do it, but he did it out of love for you. And when I realized still does for us through his Holy Spirit, I had a revelation – Brother Point, and that is, not only was Jesus a servant while he walked the earth but his Holy Spirit is still serving us in many ways today.

Acts 4:12 as I read earlier, is very specific in saying there's no other name under heaven whereby we must be saved. And I should tell you something about the power of the name of Jesus. If that's the only name that you can be saved under, I'll let you know that's a unique name in all of the earth. I tell you, when – cases where I might have not been paying attention or something just happened in my blind spot I would be in my car and could see an accident coming. I don't have time to say a long prayer. I cannot even recall a lot of Scriptures in the blink of an eye. All I can do in that corner is just call Jesus – Jesus, Jesus.

Sometimes I may have had chest pains – I woke up and had a hard time catching my breath, you all got some aide, you all know what I'm talking about. I couldn't sing a song and worship in my bed time and do the Psalms 91 and go through the whole thing right there and I'm trying - all I can – Jesus and I'll tell you breath would come. I've had times when I've seen my children not paying attention and young and – the red out into the street. I couldn't say a long scripture or prayer or protection. All I can holler was Jesus and I would see him stopping the trucks.

I tell you, it's a short name and a short something but it's enough. I'm talking about Jesus today folks. There's something that excites me when I talk about Jesus. You know, you just can't do regular teaching when you're talking about somebody as great as Jesus. You know I try, I want to stick to my text and teach it out normally but, there's something about Jesus, you've got to – preaching when you're talking about Jesus. It's hard to hold your peace. So if it's alright with you all today, I'd like to do a little preaching because of who I'm talking about.

Today, Jesus is the only man that split time into BC and AD, he's the only man that grave could not hold as he rose from the dead with all power in his hands, the only one that called the law – Moses to come back and see who had fulfilled this whole law, the only man, the great Prophet Elijah had to come back and see who he had prophesied about. He's the only man who stepped out on water and didn't sink. He's the only man that looked at storm in the face and told it 'Sshh'. He's the only man whose blood spilling means life and not death. He's the only one who has flushed caring means health and not sickness, the only man who cannot lie because he is the Word, if he speak it, if it doesn't exist right then at his feet – to exist because he is the Word, the only man who had a Mama who hadn't slept with a man and wasn't just telling a tale about it. He's the only man who – when they told him to go to hell he went down and came back with the keys to the gates in his hands. He's the only man to take a few fish and a few loaves of bread and he produced more than the average Captain Deeds does all month long.

We're talking about Jesus today in no other name do we have authority over Demons. In no other name can you ask the Father anything according to a will and it is done. I did some research and I found, I said, 'Let me see what some of the other religions – I haven't studied that man at great detail but I just want to see

about the people who – they followed. I looked at Muhammad, I found that his father was Abdula and Muhammad died in 632 AD and stayed in the grave. I looked at Buddha, Buddha's father was King Suddhodana and Buddha died in 483 BC and stayed in the grave. I studied and research Krishna his Daddy was Vasudeva and Krishna died in 3102 BC and stayed in the grave. Every Dalai Lama that I checked has been born of a woman and a man and stayed in the grave after they died. Every Pope that I researched had been born of man and woman and died and stayed in the grave. Jesus is the only one that I found who had a Daddy that was our creator of all heaven and earth and he died at 33 years old and got up after three days with all power and glory in his name.

And I've been to the famous tombs of Egypt and they're famous for containing the mummified bodies of ancient Egyptian Kings. I've been to Rome and to awesome Cathedrals with tombs commemorating great Cardinals, Bishops and Popes. I've been even to the tomb of the great peace fighter Martin Luther King Jr. but when I went to Jerusalem and saw the garden tomb of the Prince of Peace and the King of Kings, unlike the others, there were no remains there. There was no mummy, there was no ashes, there was no bones, that was nothing to be found but an empty tomb with a roll away stone at its front, signifying who had demonstrated everlasting life – Jesus!

I'm not just talking about an ordinary man today and as Bishop Dale does, I want to show you through each book of this Bible, what it says about Jesus. Show you Jesus in every book of the Bible. In Genesis, he is the creator God. In Exodus he is the redeemer. In Leviticus, he is your sanctification. In Numbers he is your guide. In Deuteronomy he's your teacher. back even when you've abandoned him. In Joel, he's your refuge keeping you safe in times of trouble. In Amos he's your husband man, the one you can depend on to stay by your side. In Obadiah, he's the Lord of the Kingdom. In Jonah, he's your salvation bringing you back to his will. In Micah he is the judge of the nation. In Nahum, he's a jealous God, he's the holy one. In Zephaniah he is the witness. In Haggai, he overthrows the enemies. In Zachariah, he's the Lord of hosts. In Malachi, he is the messenger God.

In the New Testament, in Matthew, he's the King of the Jews. In Mark, he's the servant. In Luke, he's the son of man feeling what you feel. In John, he's the Son of God. In Acts, he's the Savior of the World. In Romans, he is the righteousness of God. In 1 Corinthians, he's the Rock that followed Israel. In 2 Corinthians he's the triumphant one giving glory. In James, he's the power behind your faith. In 1 Peter, he's your example. In 2 Peter, he is your purity. In 1 John, he is your life. In 2 John he is potter. In 3 John he is your motivation. In Jude he is the foundation of your faith and in Revelation he is your soon coming King. Glory, give him glory!

Let me bring it home for you, he's the one that when the spirit has – makes my legs shake. He's the one that gives Pastor Nathaniel and C. Elijah the word for us week by week. He's the one that gives prophetic voice to pastor. He's the one that gives C. Elijah's – love that everybody loves. I'll tell you, he's the one that whispers in Prophet Dexter's ear to tell us what's coming down the line for you. He's the one that give's brother Earl, Minister Earl his prayers for you. He's the one that God heals service, that put the 'heal' in God Heals. He's the one that – Pastor's anointing that gives them to cause his favor to come unto you. We're talking about Jesus today. We're talking of Jesus.

He is the King of glory, whenever you are in need of today, he's whatever you need at that moment. And right now I want to do that altar call even while our television audience because this message may convict somebody to come today and say – I didn't know that man had all that in him. So at this time if you're in the Ark and you want to dedicate or rededicate your life unto the Lord or you've just been going through a struggle today and you just need some extra special prayer or if you've got habits that you've been struggling trying to break, or if you just want to draw near the old ragged cross today, to just bring some issues, the altar is open. Just come at this time while you have the anointed oil up here. Just come and draw in line. You've heard about the man so I don't have to tell you who, you've heard about him, you've heard about it. Come and experience him for yourself. No amount of

reading and no amount of seminar, no amount of speakers can tell you what he can do until you experience him for yourself.

Romans 10:9 says, <sup>9</sup>That if thou shalt confess with thy mouth the Lord Jesus, and shalt believe in thine heart that God hath raised him from the dead, thou shalt be saved. He made it so simple today. It's so easy but you still have to do it and mean it. And I tell you, when you truly accept him in your heart your life ought to change. Once you realize the price that was paid for your soul, it will give a value to you and if you are watching by television, if you're watching by internet. You just get on your knees wherever you are and that will be your altar, wherever you are he just wants your heart, submit it unto him. And this is a very special day, he's done it all, he's done it all.

He has given it all for us. He has given it all for you. Glory, glory, glory to your name! He loves you no matter what you've done. He said, Come unto me. I died for that, no matter what you've done. He knew we would be in need of a savior. Come unto me weary and heavy laden.
