And now for 4050, I Was Born To Do This.

Nathaniel: Truly, the second night has been phenomenal from apostle and He has blessed us. So, He blessed our socks off. He's given each one of us something that all of us can take in. Each one of us perhaps has heard something different. Some, He prophesized to you individually, He spoke a direct word to, but He spoke to me before He ever began His message or prophecy.

When He stood up, He said six words that hit me and made me realized that we can grab these six words. It would change us. He got up and said, "I was born to do this." I was born to do this.

So many of us are impotent to not be effective, frustrated because we're in something we were never born to do. We're in something we want to do, but we were never born to do that. And what God has directed us to do, what He has briefed, what He has prophesized into our life. And I know the stuff that He said over to me last night. He said some great stuff, but people, I will be honest with you. I didn't want to do any of that stuff.

I don't want to be over a bunch of churches. I don't want to be over advising a whole bunch of folks. I didn't want to do what He said and (00:02:16) every one individual. I didn't want to do any of that stuff. I'm just being straight with. But I realized that one of the things on the wall, of all of the things that we have accomplished within this ministry, last year, we completed the 24-hour(ph) MBA, 200 business people came. When they finished a course, the tears in their eyes, standing ovations, changed lives.

But I remember when God spoke it to me, "I don't want to do that." But as I stood and began to teach, I realized I was born to do this. And see, people, we can get out of the way of what I want to do and what I don't want to do. See? We're more

hindered by what we don't want to do than what we want to do and we can get out of our system, what we don't want to do and begin to understand those six words, "I was born to do this."

He spoke to my mother last night and said she needs to anoint, lay hands on every woman in the church. Mama doesn't want to do that. I can tell you that right off the bat, just like (00:03:36), neither one of us want to do this stuff. But I saw her at the business anointing, stand there for six to seven hours without sitting down and people want to -- "How can an 80-year-old woman stand?" And I saw her pray and lay hands on folks, and I saw folks blessed and crying and I saw all of this power come through. And even though mama didn't want to do it, mama was born to do that.

And when you walk in the path of where you are born, you see even Jesus Himself, when He got to the God, He said, "Daddy, (00:04:14) the way? I don't want to go through this pain and this problem, but I understand I was born to do this." So, when you understand that you are born to do something, there is a power that will flow through you and if you get yourself out of the way. So, the apostles that we saw tonight understood those six words before He began. I was born to do this.

And whatever you do, before you begin and if you're going to stay in it for a long time, you'll need to be able to look at yourself in the mirror and you need to be able to say, "I was born to do this."

00:05:11

And you would be in God's Will and He will bless and empower that which you put your (00:05:23). I was born to do this. This prophet tonight and apostle, He was born to be here. He was born to (00:05:31) you. I was born to do this.

Bow your heads. Dear Heavenly Father, we thank you for the power that you would allow to flow through upon this day. Father, we pray that every word, every touch that has been spoken, every touch that has been garnered. Father, we pray that your power shall be multiplied in the double portion of tonight and ye even tomorrow is your goal to another level. Father, let us leave this place and let us walk in the anointing that you have placed on our lives and let us realize what we are

born to do. And just as important, let us realize what we are not born to do and help us to walk in the path that you have birthed us for you knew us before we were formed in our mother's wound. You knew us before we were born.

Father, and I pray as we leave this place, we shall walk in that which you have birthed us for whether we like it or want to do it or not. Give us the strength and the discipline to do that which you have birthed us to do. In thy son Jesus' name, we pray. Amen.
