Nathaniel Bronner: Jesus told you don't even fear that which can kill the body but fear that which can kill both body and soul.

And now for 5719, A.N.D, Part 3.

Nathaniel Bronner: Welcome to Brothers of the Word because brother, you need the word. Wow! This gas has gone up in price and God spoke "and" to me simply that one word, "and" and I have been dealing with the series dealing with this one word for the last few weeks and I realize there are three decisions that you can make with any situation. Those three decisions correspond to the letters and the word and, A-N-D, action, nothing, or deal with it.

And part 1, sermon 5717, I dealt with Genesis and the first day and the word and the five states and actions, the word "and" joined together. In part 2, the sermon 5718, I dealt with Jesus as a man of action. And today, part 3, sermon 5719, I will deal with the situations when you need to do nothing. And God had me start this series several weeks ago and I know that the timing of today's message is not accidental. We are in potentially the most stressful times that this nation has been in in decades because of the turmoil that is going on now in the African-American community.

All of us know the events of last week. It's been on the news around the clock. So, what do we do about that? Do we do nothing? Do we take to the streets? What will we do about that? I don't ever advocate doing nothing, I believe in deliberate action but I believe in right action at the right time and in order for you to do one thing, you must stop doing another. So, if you take action on one thing, you have to take focus off of another thing so I always believe you ought to be taking action. I take action on my rest day, I do nothing. And that's an action, that is a deliberate focused action. But if I ever take my focus off my rest day and do something, I lose my rest. So, I don't ever

advocate doing nothing but I'll always advocate doing the right thing and to do the right thing, you first of all need to know what do you need to be doing? Your situation in life will either propel you in to your divine destiny or side track you from your divine destiny. And when you run across sidetrack situations, you need to do nothing.

Because of the current situation that has swept this nation, I want to address this for a few minutes and God spoke to me, He said, I want you to address some of these things but only for three minutes, so, I got a timer on my phone that I have set for three minutes. And I will talk about the things that are particularly non-standard and non-typical knowledge for three minutes and only three minutes. So, I'm going to rush through this. I'm going to make three points in three minutes. It's going to be fast. Because if God said, "I want you to spend three minutes on it", that's exactly what He meant and I'm not going to 3:01. I am going to three minutes exactly. So, I'm going to push this button and I'm going to start talking. So, you may have to get a recorder if I go too fast. The stuff that is happening now is a highly organized plan.

The Georgia Guidestones are about 120 miles from Atlanta. Most of you have never heard of them. They are 6 humongous slabs of granite in Elbert County Georgia out in the middle of a field. They have on these 6 humongous slabs of granite 10 guide stones or 10 commandments for the human race. Nobody knows who put them up there but whoever put them up there had a whole lot of money. It's from the power elite. I have been to the Georgia Guidestones, I have stood in the tower above me. I've been to Stonehenge in England which are the most famous stones and the Georgia Guidestones dwarf those.

But most people have never heard of them. They've got 10 commandments on them, commandment number 1 on the Georgia Guidestones says, this, "Mainly to maintain humanity under five hundred million in perpetual balance with nature." Now, the issue with that is this, there are over seven billion people on the planet.

The number one directive on the Georgia Guidestones and most folk don't know anything about is to keep the population of the earth under one half billion and you got over 7 billion on the planet now. In other words, what it says is, we got to get rid of

93% of the population. That's what there, it's in your state and you don't even know about it. The vast majority of you don't.

Number two, Dick Gregory, years ago, I was in his class and he mentioned. He said, Princess Di is going to be dead within 30 days. I told my wife about it. 29 days later, she came up to me, did I just saw in the TV Princess Di was in a car accident. Dick Gregory said, they were going to kill her within 30 days. It was 29 days till the day. So, when I heard it, I knew it was a plan. Dick Gregory called me about three weeks ago. He said, "They are getting ready to call civil unrest in this nation and it's going to be so much that it may even stop the election." So, when I saw this stuff, as already prepared for it.

Number three, media saturation. It's on TV over and over and over and over and over. Why? I go to see every national movie that's released, because I only sight moviefoot.com I do every movie review. There are three major movies out right now that have heavy racial prejudice in them and black folk killing white folk. Free state of Jones, black folk killing white folk in the confederate war. Tarzan, black folk mowing down white folk with a machine gun and the Purge. The Purge, the name of the movie the Pudge, election year. They tell you the stuff in the movies if you got sense enough.

There's one coming out October 7 called Birth of a Nation. It's a 1915 remake. It was originally called The Clansman. So, they are sending you all this stuff. My three minutes are up. You are going to go research the rest of it but I tell you people, this is an organized plan. It is not accidental and the plan ain't good for you. So, we stop my buzzer because it's going off.

Now, that's the important things of what the power elite agenda has been used. But more important than what the power elite has for you, more important than what Dick Gregory thinks. Let me tell you what Jesus said. None of this stuff is new. Let me tell you what Jesus said about it. And I understand and I need to know and I want to be educated about all of the stuff and the real reason because I don't like to be manipulated like a puppet.

Most of you getting your news from CNN and Fox. CNN and Fox are the two biggest network. You even know how the word is pronounced CNN, it's sin. It's sin. You're getting your news

from sin and fox. You know what a fox? You know a fox is known for sly, cunning trickery. So, they tell you up front what it is and you think you got truth coming from sin and fox? They're telling you upfront what it is.

Jesus said, in Matthew 24:6, "And ye shall hear of wars and rumours of wars: see that ye be not troubled." If you follow Jesus, you need to follow him. That's why the last sermon dealt with action when basically he told the folk, he said, look, it is not just calling my name, you got to do what I say. It ain't just calling my name, it is an action that goes with it. You have to do what I said. "And there will be wars and rumours of wars. See to it that you are not troubled."

Jesus commanded you, if you are a follower of -- he told you upfront, there's going to be war, there's going to be tag of war, you are going to have real wars, you are going to have all the rumors of wars coming. See to it that this stuff does not bother your spirit. He commanded you. "See to it that you be not troubled."

He said, "For all these things must come to pass but the end is not yet." Then He says in Verse 7, "For nation shall rise against nation and kingdom against kingdom: and there will be famines and pestilences, and earthquakes in diverse places. All these things are the beginning of sorrows. Then shall they deliver you up to be in afflicted, and shall kill you and ye shall be hated of all nations for my name's sake. And then shall many be offended and shall betray one another, and shall hate one another. And many false prophets shall rise and shall deceive many. And because inequity shall abound the love of many shall wax cold. But he that shall endure unto the end, the same shall be saved." Wars and rumors of wars, Jesus outlines five things that will come and bring destruction in the earth. Wars and rumors of wars, He named two types of wars.

He says, "Nation will rise against nation and kingdom against kingdom. What you would say to it yourself, look like he is saying the same thing twice. Because a nation is a kingdom so look like he is saying the same thing twice. No, he is not. Not when you look at the original Greek, not when you look at the original wording of it, the word nation in Greek is the word ethnos. Ethnos is the root word of the word ethnic or ethnicity.

So, when he is talking about that, he is talking about different races, different tribes and it also meant any religion that was not Judaism. So, he says, look, different races, different tribes and different religions will rise against each other. When you look at the word kingdom, it's "basalia." That means a political or a royalty kingdom. That's what we commonly called a country or a nation. So, Jesus says, different ethnic and religious groups will rise one against the other. You all seeing that lately? And He said, "Different countries will rise one against the other." Have you all seen that lately?

So, Jesus told you up front, there are going to be wars, there are going to be rumours of wars. Don't you be worry. Don't let this stuff upset your spirit. Don't be trouble. Don't lose sleep about this, don't spend all of your time consumed that the world is coming to an end because he said the end is not yet. So, if you are a follower of Christ, do what he says.

Don't just sit around calling His name, do what He says. He told you, you are not going to worry about this stuff because it's coming and not only is it coming, it's being orchestrated by a force that you don't even understand and they manipulate you like puppets. Stand it out to stuff to make you mad, make you upset and know it's good but don't you think the folk putting that on CNN over and over. Don't you know they knew that was going to spin folk out into their street? You think they are not fooling enough to know that? Sure, they know it.

They said, let me manipulate the negros. That's exactly what it was. Let me just stir them up. I'm going to put it on TV night and day. I'm going to put it on the movies. I'm going to boil them up, because we got to stick that our number one principle and we got to reduce this population. It's been done in country, after country, after country, if you know your history.

Done in Ukraine. Make them mad against the police, tore the government up, restructure brought in new folk, kill off whole of the population. Done in Egypt. Did it all with Facebook, social media. Tried to do it in Syria, did it in Rwanda, took a whole nation, same color. Since folk in Egypt, Ukraine, Syria, they all have the same color. Took a whole nation of Rwanda, took the Hutu's and the Tutsi's. Wiped out 80% of the Tutsi's over nothing. But it was orchestrated by power elite. By the master folk who hold the strings, the puppet of the folks who don't

know and did a math, get them upset, get them out of the street and kill them.

So, Jesus told you this stuff is coming, but do not be troubled. Do not be troubled. So, the first thing he show is going to be wars, two types. Ethnos against ethnos, nation against nation. He said famines are coming. Famines are coming so when you start hearing about food shortages, don't be surprised. He says, "pestilences are coming." That's nothing but diseases. And we've been tease so much about major plagues that are coming. It's going to be some big one is coming.

You've been teased but nothing has happened. You've heard about swine flu, the bird flu, the West Nile virus, nasty Zika virus and Ebola? All that and you know about getting that stuff but it's coming. And see, there have been major plagues, the biggest plague that ever hit the earth was in 1918. It's the pandemic flu virus, killed 40 million people way back then. Most of us know nothing about that. Pestilence is coming, Jesus said it was coming and it's being orchestrated because they want to stick to that number one principle on those Guidestones.

Earthquakes in diverse places. From the usgs.gov website. This is a US geological survey, this is the geological department. They monitor all the earth. This is the direct core. I'm reading directly from their website.

00:15:00

Within the central and eastern United States, the number of earthquakes has increased dramatically over the past few years, between the years of 1973 to 2008, there was an average of 21 earthquakes of magnitude 3 or larger in the Central and Eastern United States. The rate jumped to an average of 99, three plus earthquakes per year in 2009 to 2013 and the rate continues to rise.

In 2014, alone, there were 659 level 3 earthquakes and larger. It went from an average of 21 a year to 99 in the year's 2009 to 213 to 659 in 2014 straight off the US Government website. The increased in earthquakes prompts two important questions. Are they natural or manmade? This straight off the government's website, are they natural or manmade and what should be done in the future as we addressed the causes and consequences of

these events to reduce the associated risk.

Jesus said before He outlined the five things, “see that ye be not troubled, for all these things must come to pass.” A pilot was having difficulty landing. He was flying a small plane and it was super foggy and he couldn’t see the runway. So, he radioed in to the airport to the tower, and said, “Look, we’re going to land you by instrument. We’re going to land you by radar.” So, as he received his instructions, he remembered there was a big pole at the airport.

And he said, “I don’t know about this pole. If I hit this pole, I die. It will tear my plane all the pieces. So, he called back to the tower. He said, “Look, there’s a pole, there’s a pole on the airport.” I can’t see the pole and the tower just came back. You just obey the instructions, we will take care of the obstacles. God is just telling you. Jesus just speaking to you, you just obey the instructions, I’ll take care of the obstacles. My instructions to you are these, do not be troubled. Do not let this stuff upset you. Do not take what you get from CNN and Fox and let this stuff change and dominate your spirit. Do not be troubled. You just follow the instructions; we will take care of the obstacles.

And in prayer on Friday night, we’re having seven days of 24/7 prayer and we started the seven days of prayer before all the stuff started, or broke loose in the country. So, I knew nothing about it but God knew who it was coming. So, I was here on that Friday night, the day they had a real big blowup and I was praying and all of a sudden, it’s probably one of the most powerful prayer session that I ever had in my life and I was on my knees because I had been sitting in the chair the night prior, but when I walked in, C Elijah praised before I do and I looked at C Elijah, he was near the chair.

He was on his knees and he was on his knees and he had soft spiritual music playing. I said, when C Elijah on his knees, I think I’m getting on my knees. And you see, that’s why whom you’re hanging around influences where you go and what you do. It absolutely does. I get on my knees because I saw C Elijah on his knees. I said, his knees can hold up my knees ought to be to hold up.

And when I was on my knees, I mean stuff just start, but the thing that started flirting my spirit just over and over and over

and over with Psalms 91, 7 and 91, 7 says this, “A thousand shall fall at your side and ten thousand at your right hand, but it shall not come nigh thee We had all the prayer stuck up that come over the website and I was planning on prayer and I couldn’t move and it just kept flowing over me “a thousand shall fall at your left side and ten thousand shall fall at your right hand but it shall not come nigh thee.” “A thousand shall fall at your left side and ten thousand shall fall at your right hand but it shall not come nigh thee” and over and over and over this thing begin to flow and they flood into me and I had to take my phone and go and pull up the full 91st Psalm my mother had all of the grandchildren to learn that whole chapter and I pulled it up and I started reading it and by the time I read about three times, my screen blanked out and went totally white and I couldn’t move it.

I said, “Lord, let the light shine” and this is the thing as I began to read Psalms 91, so much that I think it’s relevant to us today. “He that dwelleth in the secret place of the most High shall abide under the shadow of the Almighty. I will say of the Lord, He is my refuge and my fortress.”

00:20:00

My God; in him will I trust. Surely he shall deliver me from the snare of the fowler, those who are trying to trap me, those who are trying to fool me, those who are trying to deceive me, surely he shall deliver me from the snare of the fowler, and from the noisome pestilence. He’ll going to deliver me from disease. He shall cover thee with his feathers and under his wing shall thy trust. His truth shall be thy shield and buckler, that shall not be afraid of the terror by night nor for the arrow that flieth by day.”

You know what an arrow is, an arrow is nothing but a bullet. It’s nothing but a bullet. It was the bullet in the old days and both them will kill you just as quick. So, he said, “don’t be afraid of the bullet that fly by day nor for the pestilence that walketh in darkness, nor for the destruction that wasteth at noonday.” That’s the whole sermon of what the destruction at noonday is. “A thousand shall fall at thy side and ten thousand at thy right hand but it shall not come nigh thee. Only with thine eyes shall thy behold and see the reward of the wicked.”

You need to make sure you're not in a wicked group because thou have made the Lord which is my refuge even the most high thy habitation you have to live with God. This promise is to those who have made God their habitation. It's not for everybody, it's for those who have made God their habitation. "There shall no evil befall me, neither shall any plague." Listen, neither, this something hit me real and I said," Sweetheart, make sure all the kids here today because I want every family in here to stand up and join. I want all my kids come down here now.

Come on down, all four, our boys, come on down. "Neither shall it come nigh or near your dwelling." God said, this thing protects your whole house. It protects your whole household. It protects your whole household. "There shall no evil befall thee, neither any plague come nigh thy dwelling. For he shall give his angels charge over thee, to keep thee in all thy ways."

I told you all before my wife come in one day to served years ago. She said, do you see that on the day? I said, what's on the day? She said, it's two big angels standing on the day because I don't see anything out. I can see them just as clear. It's two big angels on. He said I will give my angles in charge over thee to watch over you and to protect you, do not let the satanic world have your spirit all messed up and worried about the stuff. It's all a plan and it's not God's plan. You have to be a part of God's army if you go survive the stuff.

"Place your bear thee up in their hands, lest thou dash thy foot against a stone. Thou shalt tread upon the lion and adder: the young lion and the dragon shalt thou trample under feet. Because he hath set his love upon me, therefore will I deliver him: I will set him on high, because he hath known my name. He shall call upon me, and I will answer him: I will be with him in trouble; I will deliver him, and honour him. With long life will I satisfy him, and shew him my salvation."

When you're in the navy and you're on the ship and if all of us comes out, they holler up officer on deck, officer on deck. My wife say can you see, dangers are down on the deck but I couldn't see them but I know I got protection. You see some angel on the deck. Angel on the deck, that's why you got to make sure you're with God. His protection does not extend to everybody. It extends to those who are with God and Jesus told

me, you don't even fear that which can kill the body but fear that which can kill both body and the soul. Until you won't be scared of the stuff. Don't let the stuff upset you. Don't become manipulated by the power elite who has not good future in mind for you.

Know what God has for you. So, Jesus said the truth will set you free but you will not get the truth from CNN and Fox. You will not get the truth not even close to it. You go and get staged stuff that's created to excite your emotions and they're not good emotions. To excite your anger, to excite your hatred, to make you violent, to bring you closer to the beast of animal nature.

And I'll tell you right now, you ain't never seen the beginning or end of this. But so, what, you all say, so what. When you hear about all this stuff, I want you to be able to sell what God told me and I got offer something big, sit by the almighty, sit from on high and I got bodyguards around me. Stuff is happening in the world. Jesus said it was coming. So, I already know that because I study His work. He said it's coming. He said there's going to be wars and rumors of wars, ethnic as well as national. So, He said it was coming. So, and people I don't want you to be upset. I want every family to hold hands.

00:25:04

And that being why even our offering today went to a family, went to a couple in unity. First of all, most of our all our destruction does not come from outside, it comes from inside. For everyone person kill from the outside is a hundred kill from the inside. Our of the destruction when you know truth comes from the inside but the enemy will have you focused on the outside and that's one of the many ways he can get you off your mission is to focus you on the wrong thing and get us out there in the street with our hand in the air with nothing in our hand, head or pocket.

I'm just telling like you if, nothing in our hand, head or pocket and that's the way they want you mad empty handed, empty headed, and empty pocketed and you got no power with nothing in your hand, nothing in your head and nothing in your pocket. Know the truth and that truth will set you free and then you act on the truth. Every family touching.

Dear Heavenly Father, in the name of Jesus, and thou it may appear to the eyes of man, that we are in times of peril. We know who follow God we're not in the time of peril. We're simply in the time of prophetic fulfillment for you knew and your son told us 2,000 years ago that this stuff was coming. And in each time when it would appear dark in man's eye, oh, you send the light and the light is necessary in times of darkness and it's in these times, dear Father, that we need to clean more than ever. Don't let us be fooled by what they would choose for us to believe and react to.

Father, we just pray right now that we stay joined strong as family and as long as the devil cannot split up the house, he can't destroy the race and he can't destroy the nation. Father, we just thank you that you have sent your son to forewarn us, to tell us what was coming and then to tell us what to do about it. And Father, as we see all of this turmoil, that shall rise, shall increase, it shall be more and more in the media everywhere we shall turn shall be hate, shall be violent, shall be the things that you provoke and stir our spirit, we pray right now for simply peace and it's no accident that even at this time, it's a start of 42 and one of the things that 42 is that nothing shall make you angry. Nothing shall make you angry, nothing shall make you angry because a man who has made angry has lost control.

Father, we thank you for the truth and let us walk in the truth, let us heed what your son say it and not let us be minions or victims of the world and Father, even if we are one who shall lose our life, we only lose the body, but we gain eternal life and we just thank you for the knowledge and the lack of fear and the angels that you shall send to protect us, to guard family, to guard individuals. Father, I pray right now over my wife, over my four children, my four boys, that you send your angels with them everywhere you go. I want every head of household to say your own prayer over own your family right now.

That's the first thing. You know you ever see me approach that's getting prayer in the school, we got to pray in the house first, that's why the problem is. The problem is not praying in the school. The problem is not praying in the house. So, every head of household, pray right now over your own family. You pray the protection of God, the protection of His angels. You pray the hedge around your household right now.

Dear Heavenly Father, I just pray right now. Father, I pray that you guard my wife that you protect her mind, her body and her spirit right now, Father that I rebuke every satanic influence that will try to come against us, Father. I pray right now of the unity of mind, body and spirit, Father. I pray that you let nothing of the world come between us in the name of Jesus, I pray.

Father, I pray over our youngest son, George Matthew Bronner right now, Father. I pray that you protect his mind, his body, his spirit, Father. I pray that you let no friends, no peers influence him in the negative direction but that he shall be the light, Father. That he shall show them the direction to go, that he shall never forget nor forsake your son, Father. That he shall be led, guided, and shall heed and follow your will and your word for the rest of his days. Father, I pray for my son, Christian Elliot Bronner, dear Father.

00:30:04

I pray right now, that even as he runs the track that you shall guide his steps, Father. That every step he makes shall be all and for you, Father. I pray that no matter what he is around, Father, he shall keep it clear his direction. He shall keep it clear his purpose. He shall not be deferred, deterred, or detoured, Father from your will and for your way. Show him, Father for the rest of his days that which he shall do and the way that he shall go.

Father, I pray right now, over my son, Joces Daniel Bronner, Father. I pray right now, that as he has strong and body, I pray that he be equally be strong in spirit that as he shall lift the weights of iron that he shall lift the weight and burdens of people of depression of anxiety of fear and he shall show them the proper way, dear Father. That he shall be a rock, a standard for those to follow. That he shall stand taller and he shall stand strong and he shall stand bold and I pray that throughout of his life that you shall be with him, that you shall send your angels around him. that no evil shall be able to break through the wall that you shall place and as long as he stays inside of you against nothing, ye nothing shall be able to prevail against him.

Father, I pray right now, for my first born son, Nathaniel

Hawthorne Bronner III. Father, I pray right now that you anoint his mind, his body his spirit, Father. Father, I pray that as he follows in his father's footsteps, his feet are bigger, his step shall be longer, his climb shall be higher. I pray father that you begin to speak to him and show him in revelation dear, Father. Show him ideas, show him places to go, things to do that shall be in glory to you that shall enhance the kingdom and give him the resources to do these things, dear Father.

I pray right now that he shall have visions that I was never able see, that he shall have strength that I always lacked, that he shall have the tenacity to do even what his father could not and he shall take things to an even higher level and throughout his days, I pray that you shall keep your angels around him that you shall whisper into his ear that shall keep him on the path and when and if his steps off of the path, dear Father, you shall shout in his ear to get right and to get straight and to stay on the path of God. For the rest of his days, I pray this anointing shall be on him and Father, that it will not just be on him that it actually even spread from him to his children and his children's children. In the name of Jesus, in the name of Jesus, in the name of Jesus, in the name of Jesus we pray, Amen. Amen, Amen, Amen.

You can stay where you are and we will simply dismiss where we are and you walked out of this as a family and there are some of you who were saying "Well, Pastor I don't have family with me today, yes you do. You're in the midst of family. And people, I pray God's blessing on you. I pray his peace on you.

My mother had told me when I told her that that we were going to be having seven days of nonstop continual prayer. She said, God was just speaking one word into her spirit, mama what was that word? Peace, peace was the word and this was before all of the stuff broke loose. People, I wish you peace and if you follow our Lord and Savior Jesus, you'll have it. If you follow CNN and Fox, you won't.

If you follow our Lord and savior Jesus, you'll have it. There shall be wars and rumors of wars but let not your hearts be troubled for these things must be. They must be. There's not an option. They must be. So, for reasons and perhaps beyond our comprehension, they must be. You don't have an option to stop that because Jesus said, they must be. What your option is

what part will you play? Will you be at peace, or will you be a puppet? That's the decision you make. Let no man take your peace. In the name of Jesus, we pray, Amen
